REport - Reed Kryder

First of all, I want to thank Greg Alley for letting me drive his Spec Miata in the recent Mid-Ohio Enduro. I really enjoyed it.

Greg and several MVR members have been busy racing at numerous race tracks. Which brings me to the subject of Nelson Ledges Road Course. You probably heard that the course has been totally repaved. I have been on it and it is impressive. Several SCCA members have been conversing with Brian Ross about what to do next and how to do it. These things will take time. There is a possibility a 'track day' for SCCA might be possible yet this year. No actual racing would take place, but it would be an opportunity for all SCCA members to see the progress already made and get enthused about the future of the facility. I may know more by our August meeting.

I also want to remind everyone that we have scheduled a Tire Rack Street Survival October 29th at Boardman Park. These events have been extremely successful in the past and we can all pray for nice weather. Mark your calendar.

One final work: Nominations for Officers will start with our September meeting. I will not be running for RE again. I have truly been honored by your faith in me in the past. All of the help from fellow officers and members has made the job easier. But, we need new blood and ideas. I will still be around since past RE's automatically become a Trustee for a year.

See you August 1st at the membership meeting,
