REport - Brian Vondran

Racing @ Nelson Ledges: IT'S BACK! If you're unaware, the return of SCCA Road Racing to Nelson Ledges is just a few days away. On the weekend of August 1-2, NEOHIO and the Cincy Region will host the Back Home @ Nelson 2020 Divisional race. Hope to see you there as a volunteer, racer, or in some other capacity.

It feels great to be back at Nelson and based on current entries (120 so far), looks like it will be a successful weekend! This has been a long road back and it would not have been possible without the hard work and investments made by track owners and management as well as the efforts of NEOHIO and MVR members. We're grateful for all your efforts and investments to make this return possible.

Time Trial @ Nelson Ledges: During the weekend of July 11-12, MVR and NEOHIO co-hosted a Track Day and Time Trial at Nelson Ledges. While we didn't generate the number of entries we were hoping for (we had about 60 entries), it was a really fun weekend and we got great feedback from our drivers. Even our racers commented on how much fun (and different) the Time Trial was. While our region doesn't have a long history of Time Trialing, this is clearly a program that is growing within the SCCA and caters to demographic we have not traditionally reached, and that makes me want to continue to invest in this program.

COVID-19 Event Guidelines: While it feels like we have been dealing with COVID-19 forever (I've been working from home for almost 5 months), we know we have a long way to go. Our events are going to continue to operate differently for a while. Please continue to stay safe, social distance, and wear a mask when necessary.. It is all of our responsibility to not only keep ourselves safe, but take care of others around us as well. For more information on how we will run events going forward and what precautions we will make to address COVID-19, please see the SCCA's updated event guidelines at <https://www.scca.com/pages/covid-19-event-guidelines>.

Eventually, our world will once again be normal (although my family may disagree that I was ever normal). Until then, please keep safe and take care of yourself and your family. I look forward to seeing you in person again!

Best wishes,
