REport - Reed Kryder

Last year we had a membership meeting where the main topic was whether to drop our 2014 June Regional race event. We had never made such an important decision in the past and a lot of members showed up to discuss the subject. A similar discussion will take place at our February 3rd Membership Meeting regarding our 2015 June Regional race weekend we are co-hosting with Finger Lakes Region and possibly Misery Bay Region.

I delayed writing this REMarks in order to give as much time as possible for Nelson Ledges management/owner to reply to several inquiries from myself and others. As of 8 AM on 1/27 I have heard nothing and our Editor is insistent on my submitting this in order for her to issue TRACK.

A lot of the recent info was posted on several websites, including www.race-mvr.org. The letter I sent Marv Drucker last year can be found at www.kryderacing.com. Since then Finger Lakes Region has sent Marv Drucker a registered letter (he did receive it) outlining concerns and stating February 15th as the deadline to receive replies to their inquiries. This seemed like a reasonable approach. Whether we know anything new or not before the meeting, there will be some important decisions made during the month of February and your input would be appreciated. Contact me if you have something to say but cannot make the meeting.

We also plan on discussing upcoming Tire Rack Street Survival items, the upcoming SCCA National Convention and Nediv Roundtable, and a couple of other items.

See you at the meeting,
