Sandi and I hope that everyone has had a very Merry Christmas and a Happy New Year season.

Announcement: THERE IS NO JANUARY MEMBERSHIP MEETING. The next membership meeting will be Tuesday, February 1st. Same location and time.

The snow storm really put a damper on our December meeting and its Christmas Party activities. Those in attendance did have a good time and there were some rather unusual gifts exchanged.

One person absent was our Secretary. Greg Alley's excuse mentioned his need to make a living. Greg's business is a lawn service during the warmer months and snow plowing during the winter. Based on the weather surrounding the meeting I wonder if Greg even had a chance to sleep. Hope to see you in February, Greg.

Brad did a masterful job handling the gift exchange after some minor discussion on the best way to proceed. There were a few "thefts" along the way and it looked as if most people were pleased with their final gifts. The old saying "one person's trash is another person's treasure" seemed to fit.

I will be involved in a SCCA conference call (January 11th) with other small Regions. I believe the general subject will be our thoughts and opinions on many topics involving smaller Regions. SCCA did this last year with the Jumbo Regions. Let me know if there is anything specific you want mentioned.

Speaking of Regions, SCCA issues monthly reports on individual Regions membership status. There is a lot of good news and a little bad news for MVR. Good news: we are the ONLY local Regions to have experienced growth in 2010. Nationally we currently rank 19th of 114 Regions in terms of growth. Within Nediv we rank 3rd of 19 Regions. Bad news: our retention rate is amongst the lowest (only slightly) of those same local Regions and we are tied for 5th amongst the 19 Nediv Regions. Nationally our retention rate was well above the average. Overall, the Mahoning Valley Region has a lot to be proud of regarding work on our membership status. Congratulations to all.

See you at the meeting
