History of the Quaker State Tech Building

In 1971, Mahoning Valley Region, SCCA, Nelson Ledges Road Course and Quaker State Oil & Refining Co. entered into a sponsorship agreement. Below is a capsule summary of the building of a tech center:

- 1971 - Structural steel construction started
- 1972 - Structural steel completed and grading done
- 1973 - Put under roof
- 1974 - Paving done and scale pits constructed
- 1975 - Siding done and Tech Center completed

At the same time, Quaker State also assisted in improvements to the timing tower.

In Quaker State's continuing support of Nelson Ledges, the next cooperative venture will be more improvements to the timing tower and an improved registration area.

Mahoning Valley Region, with no reimbursement to themselves and as a token of their appreciation to Quaker State for all they have done to help Nelson Ledges, wish to take this opportunity to express their thanks to Quaker State for their assistance.
THANK YOU, QUAKER STATE.
