## **REport - Reed Kryder**

The MVR Board approved an idea which was tried at the recent Pitt Race Majors. Unfortunately, we never got the word out to the membership on time and there was minimal response at the event. Therefore, we are going to try again at the Mid-Ohio Super Tour. If you are a MVR member please stop by the Kryderacing trailer and pick up a MVR patch or two. We also have a limited number of decals.

There has been some recent research into alternate meeting locations. While the current site offers some advantages, it lacks room for growth. Having a private meeting room, or at least a section of a larger room dedicated for MVR is desirable. Sandi and I recently visited what used to be called "The Gables" near Nelson Ledges. It has been completely redone and renamed. Unfortunately, Tuesdays are when they have someone entertaining with an acoustic guitar. We were told the summer crowds on the deck are sizeable. He is inside during the colder months. We thought meeting somewhere near the track might be a drawing card.

Since we were in the neighborhood we stopped by the track to visit Fred. We suggested a meeting room when the owners start planning future facilities. We were informed things are speeding up regarding rebuilding Nelson Ledges. We even discussed dates later in the Summer or Fall when racers might have a special day set aside where they could check out improvements, including the complete repaving. Nothing definite was discussed, simply a review of SCCA activity dates in the region in order to minimize conflicts.

A second Tire Rack Street Survival for 2017 was discussed at our last meeting. Following the meeting we were informed the August 19-20 dates were not available at Boardman Park. But John did acquire a list of available September and October dates for discussion at our June 6<sup>th</sup> Membership Meeting.

See you then,
