REport - Reed Kryder

Between the time I write this and our March 5th membership meeting Sandi and I will have journeyed to the SCCA National Convention. While there we plan to meet people to discuss our May 5th Tire Rack Street Survival event. There are discussions planned for the formation of the Nediv Divisional race series. We hope to have discussions with Misery Bay Region regarding the PDX and Club Trials event we will hold in May. On a personal note, we hope to finalize plans for the 31st annual Kryderacing Regional Championship Series. These items are all outside the regular convention schedule, which includes numerous meetings we also plan on attending. Please contact us if there is any specific area you would like us to research while at the convention.

Since the Convention is scheduled for February 28-March 2 there is little time to report on what happened in this issue of TRACK. You will just have to show up at the March 5th membership meeting.

John Gingery was awarded 2012 Member of the Year honors at our last meeting. He successfully spearheaded our first Tire Rack Street Survival program. The 2013 edition has been scheduled for May 5 and John will probably have some updates (handouts?) by meeting time.

Sandi will also have updates on our May 18-19 Triple Regional, PDX, and Club Trial events.

See you on March 5,
