REport - Reed Kryder

I don't know about the rest of you, but this winter season is lasting far too long. I'll be very glad when we can get busy playing with our cars at race events. Sandi and I are lucky in that we get to head to Florida for the Sebring TransAm race on March 2. We are going to also visit some relatives and stop by the SCCA National Convention in Charlotte, North Carolina on the way home. We hear the convention this year is going to include a lot of changes. If you cannot attend we will have a full report in next months "Track" and at the April membership meeting.

We will not be able to attend the March meeting since we will be traveling. Assistant RE Brad Morris will handle the meeting.

I sent out a lot of emails to people concerning the April 27 Mahoning Valley Region Tire Rack Street Survival at Boardman Park. We need volunteers and participants. Volunteers should contact me (reedkryder@aol.com) if they have not already received an email. Information for participants can be found at www.street-mvr.org or by calling 330-418-3328 or through email at akghs64@aol.com.

By the way, information on the Nelson Ledges Road Course schedule has started to appear at www.nelsonledges.com. The Safety Training Day is scheduled for April 19.

See you soon,
