REport - Reed Kryder

Normally I write these a week or so before the next Membership Meeting, but Sandi wants it early. I guess she wants to get TRACK issued before we leave for the SCCA National Convention and Sebring TransAm. You should be receiving this issue of TRACK a little early.

While Sandi and I won't be at the March meeting there are a few good reasons YOU should not miss it. First of all, we are trying a new location. Scott Nutter suggested it and is making arrangements. Info should be in TRACK. It is not located too far from the old location. Stop by and let us know what you think.

We have been discussing our Tire Race Street Survival programs for 2015 and it looks as if the first event will be at Boardman Park on either April 25 (Saturday) or 26 (Sunday). As I write this we have not decided which date. Let us know ASAP if you have an opinion. We also plan to invite a couple of people to the event in the belief that once they see our TRSS in action they will make their lots available. There is nothing wrong with Boardman, we are simply looking into the possibility of a Fall date.

At the time I am writing this we have heard nothing from Nelson Ledges management. At our February meeting it was decided to cancel our June Regional race weekend if the lack of communication from the track continued. A registered letter would then be sent to track management and Marv Drucker informing them of our decision to drop the event and MVR's position regarding its future at Nelson Ledges. This letter is currently being drafted so all board members can comment before it is actually issued. Hopefully things will change and the letter will not be necessary. If not, I will post the letter on the www.mvrsc.ca.com website before 2/18/15.

The Nediv Roundtable is scheduled for March 6-7. Sandi and I will also be attending this meeting. MVR Members are invited to attend and MVR will pay your Registration Fee (\$25?). There should be additional info elsewhere in TRACK.

Please contact me at reedkryder@aol.com or call at 330-854-4889 to talk with Sandi or I.
