REport - Reed Kryder

SPRING is almost here. Are you ready? As I was trying to think of something to write this month I started thinking of all the racing activities about to happen as 2016 unfolds. Tire Rack Street Survival starts April 17th with our Boardman Park event. The Northern Ohio BMW Chapter is involved this year and we already have entries. We are still trying to return to Salem High School. I recently sat in on a Neohio planning meeting for Street Survivals. They have backing for an aggressive program of several events, including ours and possible one put on by Misery Bay Region. Details are still being worked out but this program could be a boost to TRSS programs in Northeast Ohio.

At our February Membership Meeting we discussed the possibility of conducting another picnic meeting in conjunction with a Pitt Race Track Night In America. The SCCA National Office wants to work with us on creating connections between TNIA participants and local Regions. The 2016 TNIA schedule for Pitt Race needs to be reviewed and plans made for making our presence known. Holding our meetings at these events during the warmer months seems to be a no-brainer, but the schedule needs to be reviewed.

Many of our racing members are targeting this year's Run-Offs. It'll be nice to have them back at Mid-Ohio. There are several ways to qualify. I know this because Kryderacing clients have been analyzing the system to see what best fits their schedules.

What about Nelson Ledges? As I write this all is quiet. Things are supposedly changing, but nothing has been forthcoming officially. Me thinks there is a lot of analyzing and thinking going on behind the scenes before any actual plans and/or schedules are announced.

See you at the March 1 meeting,
