### CHANGES!

For many years I have listened to just about everyone (I mean EVERYONE, not just MVR members) complain about something they are involved in and state a disparate need for change. When change finally comes, these same people are usually upset because it isn't the change they wanted. The SCCA is in the process of making numerous changes. And MVR is involved. You, as a member of MVR are involved, whether you like it or not.

I have also long had a belief that a person should not complain about something unless they can somehow contribute towards finding a solution for their complaint. That means getting involved in the changes which are occurring.

There has been an increase in MVR member participation in recent months and I hope it continues. There are several upcoming events where you are needed. The Tire Rack Street Survival program is Sunday, May 5 at the old Value City Parking lot in Boardman. You could be contributing towards saving a life by volunteering. Our monthly membership meeting follows on Tuesday, May 7<sup>th</sup>. And the first Regional races of the year at Nelson Ledges Road Course will be our Triple Regional event on the May 18-19 weekend. Don't forget the Regional weekend will also include PDX events, and for the first time ever for MVR: Club Trials. Details of these events can be found elsewhere in TRACK.

See you May 5, May 7, and May 18,

Nelson Ledges Chaplains Notes April 2013

#### COMEBACK

Rush to the theater on September 20 so you can see the U. S. release of the movie *Rush*, the story of the epic F1 battle in 1976 between James Hunt and Niki Lauda. Having won 5 races, Lauda seemed a certainty for his second consecutive World Driving Championship when on the second lap at the fearsome Nurburgring, his Ferrari crashed, was hit by other cars, and burned. He was finally pulled from the wreckage by 4 drivers. Injuries including severe burns and toxic fume inhalation caused a priest to administer last rites. Lauda himself says he was slipping away into death but he decided to fight back. Severe burns on his head caused blood soaked bandages, but 6 weeks later his iron will brought him 4<sup>th</sup> in the Italian GP. Jackie Stewart called it the most amazing comeback in sports. Lauda lost the title by one point to Hunt after being 1 of 3 drivers who pulled out of the final race of the in Japan due to dangerous wet conditions. He did go on to win 2 more F1 titles.

In Wadsworth, Ohio, Mike Cramer, my former crewman and former SCCA driver and worker continues his 1 ½ year the fight back from a stroke that was originally deemed fatal. Through great effort, faith, prayer, and the incredible support of his family and friends, he continues to make progress, small step by small step. Working in a pool and on a recumbent step machine, he is improving his walk. By pushing and pulling weight machines, Mike is regaining his strength. He can now write short messages and say "Hi" and "Bye" understandably. Happily, Mike's great personality is also back. It has been a long way here and there is still a ways to go but the comeback is on.

The ultimate inspiration for Mike and his family is the biggest comeback of all. Over 2,000 years ago, Jesus came back from the dead to give us all hope for new life. All you have to do is ask Him.
