REport - Reed Kryder

Our April 17 Tire Rack Street Survival at Boardman Park was a big success. We had 15 participants and lots of workers. Our own members were joined by those from Northern Ohio BMW, Neohio Region, and Misery Bay Region. Participants and parents left happy and satisfied. One of the biggest surprises was the weather. For the first time in five years of doing these programs we didn't have some combination of cold, wind, and rain. The weather was about as perfect as possible. As one person said: "Wasn't this event supposed to have happened on April 10?" If I remember correctly, it was snowing that weekend. I will bring the student and parent evaluation forms to the May membership meeting.

At our April meeting we voted to hold our annual picnic meeting in conjunction with the August 11 (Thursday) Track Night in America event at Pitt Race. The main reason for choosing August seemed to be because August was our traditional picnic meeting date. Brad Morris recently sent me an email wondering if June 8 (Wednesday) might be a better choice. Come to the May meeting and be heard. If you cannot make the May meeting feel free to contact me with your thoughts.

Just a reminder – I will be making a presentation at the Track First store on April 27. Go to their facebook page for information and please let Tim Wadsworth (store owner) know if you plan on attending.

See you at the May 3rd membership meeting,
