## **REport - Reed Kryder**

The racing season has officially started for those of us who race locally. Several MVR members participated in the Safety Training Day activities at Pitt Race on Saturday, April 22. A couple of them volunteered their vehicles for track usage to help train corner workers and safety team members, some of them from MVR. One day later a large group of our membership joined other SCCA and BMW Club members to put on a Tire Rack Street Survival program at Boardman Park. While the weather at Pitt Race was overcast and cold, it was sunny and warm at Boardman. Thanks to all MVR members for your participation at both events.

One of the next track events for our members is the Pitt Race Majors scheduled for May 13-14. If you are participating and are a MVR member we have something for you. It doesn't matter whether you are driving, crewing, volunteering, or spectating. Stop by the Kryderacing rig.

There have been several conversations following our April Membership meeting regarding places to hold special MVR get-togethers and possible alternative meeting sites. Several members are keeping their eyes open and I have heard some good ideas. For example, Bill Pintaric volunteered his horse facility for a return visit. We had a great evening there a couple of years ago. Anyone else with something interesting?

Did anyone attend the Ganar track events at Nelson Ledges on April 22-23? Please give us a report. Especially if you can attend the membership meeting on Tuesday, May 2<sup>nd</sup>.

See you then,

## **Membership Meeting Detour**

The exit ramp from I-80 to route 422 in Girard (by the Amen Corner) will be closing soon and will be closed for over a year. This could make getting to and from the meetings difficult for those traveling along I-80.
