## **REport – Brian Vondran**

Thankfully, it's officially race season!! By the time this gets published, we will be two weeks away from the Pitt Race Majors and a month away from the Hoosier Super Tour at Mid Ohio. Best of luck to all our MVR members who are participating, either as volunteer workers, crew, or drivers. Regardless of how you are participating, please be safe and look out for your fellow members. Let's have a safe, fast, and fun season.

## **Street Survival**

Before we get to racing, I want to spend a minute on our Street Survival school coming up on Sunday, April 29 at Boardman Park in Boardman, Ohio. We currently have seven students which is about average for us recently. I'm looking forward to seeing you there and trying some new things, and I would really appreciate your feedback on how we can improve the day for our students, their parents, and our volunteers.

We couldn't do these schools without a number of volunteers and I would like to single a one out one in particular:

A big thank you goes to John Gingery. He made the effort to get us an opportunity on the 21 WFMJ Noon news in late March, then took the time out of his Spring Break to go down to the station and do the segment. They gave us about 3 minutes of airtime at the end of the show which was great.

Even better though, it quickly turned into something more. They reached out to us a few weeks later and asked us to do a live demonstration for them. On Saturday, April 21, we met them in the Boardman Park parking lot and ran through a couple of exercises with them. They gave us about 7 minutes of airtime on the Monday morning news show which was really nice. (Thanks also goes to everyone who showed up to help us!)

John also takes the time to work with NTB on goodies for our students, makes sure we have water containers and water to wet down the skidpad, and even lets us use his trailer.

If you see John at our Street Survival or at a race, make sure to tell him thanks for all he does for our club.

Thanks John!
