I hope this edition of Track finds you and your family well. I'm sure everyone is a bit bored and tired of being cooped up at home (understatement of the year), I know I am! While the kids have been home since mid-March, there hasn't been any real racing on since then, and there really isn't a way for me to tell if it's Monday, Thursday, or Sunday, Spring has finally sprung, the grass is starting to grow, and we're getting closer to getting back to something that resembles normalcy.

Unfortunately, I can tell you that COVID-19 and the response to it has had a dramatic impact on our club. Events are cancelled everywhere, from solo, to rallycross, to road racing, to Street Survival. If you can think of it, it has probably been cancelled! We've had to cancel our June 6-7 Time Trial at Nelson Ledges.

All these cancellations mean the club doesn't have its normal sources of cash to pay its bills, to the point where even our National Office in Topeka has had to furlough some employees in order to responsibly weather the storm. The SCCA has created a line of branded apparel (SCCA UNITE) to show support for our club, with a portion of the proceeds from the sale of SCCA UNITE merchandise benefitting the SCCA. You can check out the SCCA Merchandise at <https://www.sccagear.com/scca-unite.html>. You can also renew your membership early if you're interested in helping the club's cash flow through these tough times.

I also encourage you to support your local racers if you're in a position to do so.

And if you are in need or there is something your MVR SCCA family can help you with, please let me know.

Eventually, the world will get back to normal. Until then, please keep safe and take care of yourself and your family. I look forward to seeing you in person again!

PS...Our May meeting (Tuesday, May 5 @ 8pm) will be hosted via conference call instead of in person. The call-in number and conference code will be posted on our website. Please reach out if you have any questions on how to join the call.

Best wishes,
