## Report – Brian Vondran

Let's give credit where credit is due. Recently, I've been impressed with a couple of improvements by the SCCA National Office team that probably aren't getting sufficient airtime. Without a lot of fanfare, the team has made improvements to the Member Portal and online sanctioning regime that make renewing your membership easier, keep all your information in one place, and make it easier to sanction a race. While these changes are long overdue, I'm happy to see our National Team make progress and I think they should get a big pat on the back.

By the time you read the next one of these, our Time Trial at Nelson will be in the books and the race season will be in full swing. I'm sad to report that the Longest Day has been postponed until 2022, but there's still plenty of opportunity to get involved at Nelson Ledges and Pitt Race.

I've also heard there is a new event coming to Nelson Ledges; it sounds like there may be a Rallycross coming to Nelson in the near future. Keep an eye on the website for further information.

With vaccine distribution progressing and cases down significantly, we're planning to host our monthly membership meeting in person during May. I hear the new place is pretty cool and I'm hoping to check it out on May 2. Check the website for date and time. Hope to see you there.

Best wishes,
