NOVEMBER MEMBERSHIP MEETING

November 9, 2010

WEST FORK ROADHOUSE
3850 BELMONT AVE
YOUNGSTOWN, OH
just south of I 80

Meeting Time: 8:00pm

Come early for dinner.

Our deepest sympathy goes out Al Caruso & family whose father and long time member Filippo Caruso passed away suddenly on Oct. 22. Filippo had worked pit & grid and helped out in tech. Both Filippo & Nina, who passed away back in June will be greatly missed.

REport – Reed Kryder

Last month started off with our annual election of officers. I am honored to have been elected to serve a third term as your Regional Executive. Besides myself there are several returning officers along with a couple of new faces. I would like to thank those departing people for all the work they have put in during the last year. I also welcome our newest officers. See the newsletter masthead for all of your 2011 officers.

Deciding whether to run for RE for a third term was a difficult decision. When first elected my goal was to get some new members into MVR. I am pleased our membership has increased during the last year. I also had hoped a couple of these new members would run for office and bring with them some new ideas and energy. Chris Bell is a new member and he is also one of our newly elected trustees. Directionally I am happy with these accomplishments but feel we are only getting started.

I also have the feeling some of the other new things we initiated need to be nurtured for another year. Brad Morris's idea of "The Nelson Cup" for our Regional weekend was a great one and 2011 should be its biggest year. NeDiv and GLD are currently tied with one victory apiece. The picnic meeting at Nelson Ledges was a big success and a Christmas Party/Meeting is being planned. Details will be released later, but for a gift exchange we were thinking along the lines of: "used racing related items Santa might find around the garage/shop/house which aren't worth too much but are too good to throw in the trash". Another future social meeting being thought about is a fun type rally with Misery Bay Region. And during our 2011 Regional race weekend we are working towards having a race group for only ITC class cars. For those of you racing in other classes and wondering why you can't have your own group.... you can. You just have to use the same approach the ITC drivers are using. Deliver a minimum of 15-20 cars in your class. The ITC guys are looking for a name for their race. Last one I heard mentioned was "The Battle for the C-Cup". Hmmmmmm.

Our November membership meeting has been moved to November 9th. Among other topics, we will be discussing the 2011 MVR race schedule. Great Lakes Division should have completed theirs by then and we will have a clearer picture of our options heading into the NeDiv Mini-Con scheduled for November 12-14. Speaking of the NeDiv Mini-Con; there is also a Competition Clinic being held in conjunction with it. It is a great place for new (and experienced) drivers to obtain valuable information. There should be some additional information elsewhere in this newsletter.

See you at the meeting.

Reed Kryder, RE

ps: Board members are reminded of a Board Meeting at WRP offices immediately preceding the Membership meeting on November 9th.

NORTHEAST DIVISION SCCA MEMBERS TO MEET IN ROCHESTER FOR MINI-CONVENTION

The Finger Lakes Region of the Sports Car Club of America will host this year's annual Northeast Division Mini-Convention on November 12-14, 2010, at the Woodcliff Hotel and Spa in Rochester, N.Y. SCCA competitors, crew, administrators and other members from throughout the Northeast gather to plan out events for 2011, train new stewards, present divisional awards, and for some social time outside of the stress of a competition weekend.

Regional Executive Michael Toombs said the region members were proud to once again host this event. "We hope that everyone will have a good time visiting the Finger Lakes area and our many attractions, from our wineries to the New York Wine & Culinary Center in Canandaigua and everything in between," said Toombs. "Then on Saturday, we will get together to work, learn and plan the upcoming year. So if you want to be involved and see a beautiful area of the country, stop by the weekend of November 12-14."

The convention serves multiple purposes covering all the interest areas of the SCCA including racing, rallying and autocrossing. The regions work together to schedule and structure the 2011 divisional Club Racing schedule. There are also administrative meetings of various race series and divisional councils and stewards. Members are invited to inquire or speak out about issues and concerns during open forum sessions.

This year's Mini-Con chairperson, Elizabeth Thiel, understands the importance of the social aspects of the weekend, which allows members to have some time

away from business and to informally network with fellow motorsports enthusiasts.

"Come join us Friday evening for our wine tasting followed by a welcome reception," said Thiel. "This is the time to reunite with long-time friends and meet new faces."

One of this year's highlights is the Neohio Competition Clinic. According to Thiel, this widely-acclaimed program includes information to assist with vehicle dynamics, suspension setup, data acquisition and more, taught by Dave Weitzenhof, Bob Doemberg, and data guru Dave Scaler.

For further information, visit the Finger Lakes Region's website at <http://www.flr-scca.com/10minicon.html>.

There is a flier and registration form available for download. At this time, Elizabeth Thiel and her team are negotiating with seminar presenters for the various workshops; a tentative and final schedule will be announced as they become available.

"Whatever your specialty we guarantee you will leave with new ideas, new contacts and new opportunities for the future," Thiel said. "It is a time for reflection of the past year and to prepare for a new season."
