REport – Brian Vondran

Well, it's November now. The Runoffs and the Solo National Championship are over, the World Series has been won, and the Browns have fired yet another head coach....time marches on.

We had another successful Street Survival in October, with 8 students, including two drivers sharing a Tesla (our first at a Street Survival). During the early morning setup, we met with a reporter from 27 WKBN and did several live segments on the 7am-9am morning show, including a couple of in-car demonstrations and an interview with a parent and student. Later, 21 WFMJ came out and filmed some of the action. We're very lucky to have local news channels that provide us such great coverage. I'm also thankful for Boardman Park who allow us to use their parking lot, and for all of our volunteers, who come out early on Sunday mornings to help us put on our Street Survival courses.

We will start planning for next year at our November membership meeting (Tuesday, November 5th @ 8PM, at Amen Corner in Girard). Come join us, if only to get away from election coverage!!

Finally, we're getting into the holiday season. The stores have their Christmas items out and several radio stations have converted to holiday music. I hope you and your family have a wonderful holiday season. I hope you look back on the 2018 season with fond memories, and look forward to an even better 2019.

Happy holidays and best wishes,
