REport – Brian Vondran

We held our annual Halloween race at Nelson Ledges in October. The weather was lots better than 2020, but that wasn't a high bar. Turnout was less than we had hoped for; but given the timing in the season wasn't totally unexpected. I made it a point to welcome every driver on grid on Saturday morning and thank them for their support on grid on Sunday morning. Every single driver mentioned that they had a great time. We need to figure out how to get every driver to bring another driver back with them in 2022. I appreciate any thoughts you might have.

As we move into 2022, the big news from a racing perspective is we're moving our race at Nelson Ledges from Halloween weekend to Memorial Day. We're expecting higher turnout based on the timing, so please pencil us in for that weekend as we will need all the support we can get. There may also be other exciting opportunities at Nelson Ledges for us to participate in.....more to come on that!

We're also looking to restart our Street Survival program this spring. Keep an eye out for updates as we will be looking for volunteer support for this as well.

Year-End Reflection

For all intents and purposes (unless you're heading to Florida), the 2021 season has come to an end.

Personally, the season had a lot of ups and downs. I drove terribly at the Pitt Race Super Tour and the Mid Ohio majors. I worked with a driver coach at Mid Ohio and made huge strides, with a podium finish in the Sunday SM race on Labor Day weekend.

Unfortunately, the season ended early with my first big crash (after nine seasons) during the Fun One at Watkins Glen. It was a very humbling experience after nine seasons and starting to see some success. But I'm still intact and will live to race again!

I hope your ups were way up there during 2021, and your downs were not very far down. And most importantly, I hope 2022 is even better for you than 2021 was.

Happy holidays and best wishes for a great 2022,
