RE Report - Brian Vondran

REport – October 2019

Fall is here. Even though the temperature outside is hovering near 80, it's officially fall. The Solo Nats are over, the Time Trial Nationals are being run this weekend, and the Runoffs start in a week. Scheduling for 2020 has begun and before we know it we'll be eating turkey (smoked please) and getting ready for snow.

A few things I'm thinking about for the winter:

Street Survival Program

We decided to take a break from our traditional fall Street Survival this year. It seemed like everyone was busy, Boardman Park is very busy, and maybe there's a little burnout from running two schools every year.

Over the winter, I'd really like us to work on finding a new venue or two. While Boardman Park has been a great partner, it would be nice to have a couple of venues to rotate our schools through. Plus, I think it would be a great way to reenergize our volunteers.

Let me know your thoughts and keep your eyes open for a large, paved parking lot that could serve as another venue. Let me know if you find one, and I will find a way to get in touch with the owner.

Opportunity Knocks – Nelson Ledges Edition

Last month, I wrote about an opportunity to support Nelson Ledges during the Champ Car 24 Hours of Nelson Ledges. We had a lot of SCCA member volunteer their time as corner workers, start finish, pit workers, and other positions. It was great to see a lot of familiar faces and continue building the relationship with Nelson Ledges.

If you're getting ready for the Runoffs, best of luck and be safe. If you're finishing up the season, hope it was a great one and can't wait to see you back next year.
