Nomination of 2016 Officers

REport - Reed Kryder

First of all, thanks to everyone who attended our annual picnic. It was held in conjunction with a Track Night in America event on August 11 at Pitt Race. This TNIA was one of the biggest in the country with over a hundred participants, several of which were MVR members. With that many cars and some great food there was no shortage of enjoyment, even for those who did not take part in the track activities. We will return to our normal meeting location on Tuesday, September 1st. This meeting will be the first opportunity to nominate officers for 2016. Actual voting will take place at the October meeting.

September will be an active month for MVR members with a Tire Rack Street Survival scheduled for Saturday, September 12th at Salem High School. One week later we are co-hosting the Regional races at Pitt Race. This is a joint effort between Steel Cities and Mahoning Valley Regions. It is being held on the newly completed 'big' track. This track has been receiving a lot of good comments from drivers. If you have a race car you need to attend. If you are a volunteer we could use your expertise. If you only want to come and enjoy the fun with some great people make sure you attend this event.

I'll keep this short. See you at the meeting,

Tire Rack Street Survival

Our second TRSS is schedule for Sept. 12 at Salem High School.

We are hoping for a larger turn out then we've had before, so more volunteers are definately needed.

Tell a friend about it and let's see if we can beat our record high - which is only about 13 students.

Registration details can be found at
