RE Report - Brian Vondran

And just like that, we're nearing the end of summer and the start of fall. Not sure how it went so fast, but it did. Hope you had a great summer and are ready for fall to come. Before we know it, we'll be preparing for the holidays!

A couple of updates:

Opportunity Knocks – Nelson Ledges Edition

We have an opportunity to work with Nelson Ledges in early September to continue strengthening our relationship. The Champ Car 24 Hours of Nelson is coming up on the weekend of September 7-8 and the track is looking for corner workers and other volunteers. The track is working closely with Lake Erie

Communications (who will be staffing at least 3 corners) as well as other SCCA members who volunteering their services.

We would really appreciate any volunteers that would be willing to help. If you can, please reach out to myself (Brian.vondran@gmail.com) or Erik Avendutti with LEC.

Look forward to seeing you there!

Time Trial with NEOhio

We held our first time trial at Nelson Ledges in partnership with NEOhio on August 28. While we learned a few things and had a few growing pains, over the event went great and we heard very good feedback from our time trialers. We've already been planning for at least one event next year and if everything goes according to plan, maybe a second (see request above to see how we're trying to work with the track to build our relationship). We have ~50 drivers and while our event resulted in a small loss, we think the investment was well worth it.

Street Survival

We're not hosting a Tire Rack Street Survival this fall. We've held two per year pretty constantly for as long as I can remember; however, we felt like the time was right to step back and take the fall off. It helps that many of our volunteers will be traveling throughout the months of September and October, which means we would be short on workers and coaches.

We're also looking for new venues. The Boardman Park team has been very good to us and continues to work well with us. But we think it might be a good idea to have a second venue where we can host our events and allow us to reach out to different students

Whether you're getting ready for the Solo Nationals, the Runoffs, or just getting ready for the fall, hope all goes well and you have a great fall.
