REport – Brian Vondran

Well, last time I wrote one of these columns, I noted that “COVID restrictions in Ohio are almost over. It’s been over a year, but we’re almost through. It feels good to be almost on the other side.” Looks like maybe we jumped the gun on that one a little bit as we’ve seen cases and restrictions ramp up again in the last month or so. Thankfully, no real changes to the restrictions in the MVR area, let’s keep our fingers crossed that it stays that way.

### **Golden Harvest on Halloween Regional**

We’re about 4 weeks out from our regional race at Nelson Ledges on the weekend of October 30-31. We’re fairly light on entries so far, so please shout from the rooftops that we have a race going on and we’d love for everyone to attend.

If you can volunteer that weekend, we’d love to have you join us. We can always use corner workers and helpers in general. It’s a great way to get to the track and have some fun for probably the final time in 2021.

### **Elections**

We have been meeting in person again and we’re planning to host our monthly membership meeting and elections in person during October. The new place (Garrettsville Mill Brewing Co. in Garrettsville, OH) is pretty cool and I hope you come check it out on October 5. Check the website for date and time.

Best wishes,
